# ABOUT P.V. ALEXANDER MINISTRIES

Dr. Reggie Thomas

To Brethren of Churches of Christ and Christian Churches.

I am happy to write to you concerning our dear brother in Christ Dr. P.V. Alexander of Kerala State, India.

I have been very personal acquainted and associated with Bro. P.V. for more than 35 years.

I have been a guest in his home many times and have worked with him in America and in India.

Bro. P.V. is a zealous soul winner and a true preacher of the Gospel of Christ. He paid his own way to America and graduated from Johnson Bible College and the Cincinnati Bible Seminary. He is qualified spiritually and educationally to do the great work for Christ.

In India Bro. P.V. has led out in starting more than 200 congregations in Kerala. He has with financial assistance from America built nearly 125 church buildings. He had found the Kerala Christian Theological Seminary where young men are being trained for the ministry. He has founded two orphanages where children are being housed, fed, and educated. He founded Johnson Gospel press where Christian materials are being printed in the native languages of his area. And also started Hospital, Nursing College, English School and Various Projects etc.

I can honestly recommend Bro. P.V. in every way you will be fortunate if you can secure him as a speaker during his next tour of America and support P.V. Alexander Ministries to establish the Kingdom of the God on this earth. I hope that you will do the needful.

Yours in Christ

Reggie Thomas Sd/-

## **TRAINING YOUNG MEN FOR GLORIOUS MINISTRY**

I am very pleased to give a brief report of the events and Activities of Kerala Christian Theological Seminary 2012 - 13 to all of you who support us constantly through your prayers and finance. The Lord led and enabled us to grow thus far so that we may do our bit to fulfil His predemptive plans and purpose in our country.

**George Kurian**

The classes of the new academic year began on 3<sup>rd</sup> June with 130 students. This year 60 students were graduated with a stern determination and dedication to reach with the gospel to the unreached areas. It is the highest number of graduates of the whole history of the Seminary. Please pray for them to reach unreached areas for Christ. We do not have enough place to accommodate all the students, because of that we started four extension center. Many wants to stay in the Seminary and study the word of God, So we need to build urgently another building to accommodate the students. It is urgent and important to us. Kindly pray and support mission work here for the glory of God. Your sacrificial support will help us to reach many for Christ.

## **PRAY FOR GENERAL CONVENTION 2014**

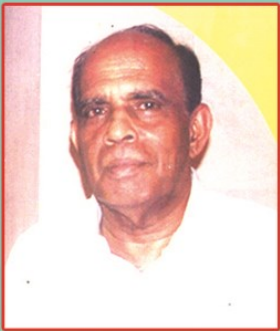

The Churches of Christ and Christian Churches General Convention will be held on January 9-12, 2014 at Mission Hill, Kerala India. Dr. Phil Le Master, Dr. Terry Edson and Dr. Cloude Howe will be attending and sharing the word of God. Pray for the same.

P.V. Alexander

Dear Christians,

We are thankful to God for leading us 36 years, and also to all of our supporters, churches and prayer partners, for strengthening us through their prayer and financial support. Your efforts will not be in vain, as Bible says, "When ever you sow your seeds, the Lord will send rain to make them grow and will give you a rich harvest". (Isaiah 30:23)
