URGENT REQUEST

Dear Christians,

Greetings to you in the name of Jesus Christ.

I like to discuss with you a serious matter about the mission work here because of the financial problem in America. Many people stopped supporting our work and also we have no one in the States who is responsible to raise funds for our mission. In this circumstance I do not know what I can do about running the gospel work here.

I have to reduce the students body of the Kerala Christian Theological Seminary from 170 to 50/60. Also we have to repair many old churches. We are repairing some of them with the money from here. But we are not able to repair all the buildings. Result of it is may be the buildings fall down within sometime.

As I am sure you know all our buildings are not strong to stand for many years. Also I have to reduce the church work in a great extent.

I do not know how to put everything in a paper. I write this letter to find out what you think about my suggestion. So please pray about the matter and let us know what you want me to do.

Kindly pray about it and let me know your decision.

Thanks,

Yours in Christ
P.V. Alexander
